Exciting Developments at Reagan Consulting

To our friends and clients,

The arrival of 2021 brings with it some exciting developments at Reagan Consulting. Our team continues to grow and expand. We are pleased to announce some well-deserved promotions and to welcome a few new additions to the Reagan team.

We hope you will join us in celebrating these promotions and new hires and we look forward to working with you in 2021!

- Kevin Stipe

2021. He joined Reagan Consulting over three years ago and works primarily with clients strategic consulting projects, capital raises, agency valuations and mergers & acquisitions. Since he joined us, Mark has combined his extensive experience, business acumen, and incredible work ethic to better serve our clients, and we are excited about his expanded role with the company.

Mitchell Gentry's contributions to the team have been enormous, and as a result he's been promoted to Senior Associate after joining as an Associate in 2018. He works primarily with clients on strategic consulting projects, agency valuations and both buy-side and sell-side mergers & acquisitions.

Sarah DuPre joined our team in March 2020 as our first Marketing Director. She oversees our communication strategy and branding efforts and also plays a key role in several large client projects. As the world (hopefully) returns toward some sense of normalcy in 2021, Sarah is excited about meeting more of our friends and clients.

Alex Silliman was hired in October 2020 as a Senior Analyst and works closely with the partners on a number of strategic consulting projects, mergers & acquisitions, as well as agency valuations. He began his career in the investment banking arena where he focused on sell-side M&A transactions for private businesses.

Ethan Baker is the newest member of our team and joined us in November 2020 as an Associate, bringing expertise in banking and corporate finance. He also works primarily on agency valuations, strategic consulting projects, and mergers & acquisitions.
